

# 2025 Annual Registration Renewal with the NMBI

30 October 2024 - 31 January 2025

## Your annual registration renewal

All nurses or midwives practising in Ireland are required by law to have their name on the NMBI Register of Nurses and Midwives and it is necessary to pay the annual renewal fee to maintain your registration.

Student nurses and midwives, as well as those who have registered for the first time, on or after 1 September 2024, are not required to renew until the 2026 annual renewal.

Please make sure all your details are up to date, including your address, email, phone number and employment details.

## Paying your annual renewal

- The Annual Renewal process must be completed through our online portal, MyNMBI.
- We recommend you use a laptop or desktop to renew their registration.
